PRINCIPALS CORNER

Dear Kelly Mill Families,

We are excited and honored to be celebrating our 10th year anniversary with you. We continue to hear from former employees, and they remind us of the many highlights Kelly Mill has experienced over our decade of service to our Colt Family.

As we round out our first full week back in the groove of school, we continue to ask parents to check both our [Kelly Mill website](#) and the [FCSS homepage](#) for updates regarding the latest mitigation strategies. The county will re-evaluate after Labor Day, and we look forward to providing you with engaging Curriculum Night videos next week.

As always it is an honor to serve as your Principal and feel free to reach out to me should you have any questions.

Thank you,
– Ron

CARPOOL ETIQUETTE AT KME

Here are a few reminders for parents and students for morning and afternoon carpool. Everyone is expected to be a part of responsible safety measures for our whole Kelly Mill Family. We are having several safety concerns and request your hypervigilance in attending to the following points:

- Please watch your speed. There are too many cars driving entirely too fast! The speed limit is **10 MPH**. Be on the lookout for new signs to help remind drivers.
- Pedestrians always have the right of way. This includes staff members crossing through the parking lot coming in and out of the building.
- Students should enter and exit the car on the passenger side only. If you have circumstances that require child enter on the driver side, please pull down past the Pre-K entrance and follow the procedure outlined for buckling.
- Please be mindful of cones pulling around a parked vehicle and exit the main line at a reasonable speed.
- During morning carpool, please refrain from letting children out in the parking lot and walking unescorted to the crosswalk.
- For their safety, children should not be visible outside of windows or sunroofs and remain buckled throughout the carpool line.
- Please do not let students out of the vehicle before 7:10 AM and/or drive away. There is no supervision until 7:10 AM.
- **The final tardy bell rings at 7:40 AM. If you arrive after 7:40 AM and you see the front doors are closed, you must walk in and sign your child into school.**
- Afternoon carpool runs until approximately 2:40 PM to 2:45 PM. The expectation is to be in the line by 2:30 PM to ensure that you are not late picking up your child.
- If you need to buckle your child in the afternoon, please pull down past the Pre-K entrance and put your hazard lights on before safely exiting or placing your vehicle in park to reach the back to buckle.
- Do not exit your vehicle unless you are in a designated parking spot or aforementioned area, please pull down the line to minimize space between vehicles as directed by staff. Your child will walk to your parked vehicle. In the event your child is not out yet or hasn't seen you, continue to pull down as space opens in the following wave.
- Please have your car rider number visible until your child enters the vehicle.

Moving forward, if you are redirected by a staff member to follow one of our procedures, we appreciate your willingness and cooperation to adhere to the guidelines and assume goodwill We are all on board with keeping everyone safe.
