## CARPOOL ETIQUETTE AT KME

Colt Families,

We will no longer allow parking during morning car line. With safety remaining our focus for all Colts, we have noticed families crossing traffic throughout the parking lot. All parents and students will be asked to remain in their vehicle until they have completed the car line.

We have staff members strategically placed throughout car line to help students with heavy items when needed. We recognize extenuating circumstances may happen from time to time. When this occurs, please use the visitor parking in the first row and escort your child and items to the front office. Our Colt's safety is our number one priority.

Thank you for helping keep our Colts safe.
