PRINCIPALS CORNER

We all know that the purpose of school is to learn. As we get older, we also know that learning truly happens throughout one's lifetime. You can choose to learn a new hobby, take up a new language, learn how to start a business, and do anything else of your interest.

It is learning and improving yourself that creates an inner joy. When you know something, you feel better about yourself and the world around you. As we look to the end of another academic year, I hope the focus on learning never stops.

So, what do you plan on learning this summer?

Sincerely,
Ron

CLASS PLACEMENT DEADLINE

A critical part of the Class Placement for the next year, is reviewing the input that parent take time to share with us. We DO read every letter and do our best to place students within learner parameters that your child (children) may have.

The deadline for submitting your input is **Thursday, May 12, 2022**. This gives you 6 weeks to provide your thoughts. The more thorough the information that you provide, the better we can make appropriate class placements.

Please use this form to provide your input and use one form for each child you have.

CARPOOL ETIQUETTE AT KME

Colt Families,

We will no longer allow parking during morning car line. With safety remaining our focus for all Colts, we have noticed families crossing traffic throughout the parking lot. All parents and students will be asked to remain in their vehicle until they have completed the car line.

We have staff members strategically placed throughout car line to help students with heavy items when needed. We recognize extenuating circumstances may happen from time to time. When this occurs, please use the visitor parking in the first row and escort your child and items to the front office. Our Colt's safety is our number one priority.

Thank you for helping keep our Colts safe.
